

Oberpfaffenhofen

Fairchild Dornier Private Airport Operation Area

Regierungsbaumeister
SCHLEGEL

Client

EADS Real Estate Dornier
Grundstücke GmbH & Co. KG

Period

since 2000

Project Cost

2.550.000 €

Abstract

As part of the area development, the final assembly line of "728 Jet-Family" was planned to be built on Oberpfaffenhofen private airport, used by Fairchild Dornier.

In line with construction of two production halls, new operation areas and road connections had to be developed. In a joint venture, Schlegel undertook the entire design, wastewater management, infiltration and development measures for roads and airport area connections.

Scope of Service

pre-design, design, approval design,
execution design, preparation of tender
documents, site supervision

monitoring
measurement

Technical Data

Concrete road surface	30 cm
Hydraulic bonded base layer	20 cm
Anti-freeze coat	50 cm
Grid dimension concrete slab	5 x 5 m
